HOMEWARES

We are really proud of our unique Wall Hangings - each one is handcrafted in our workshop and based on traditional Celtic designs. We use 100% cotton and hem each end with a gusset so that you can easily slip in a piece of bamboo to make hanging easy peasy.

Now all you need to do is pick a colour and design.

The tablecloths, wallhangings and cushion covers below are a small selection of the designs we make.
